The University of Notre Dame
Glee Club and Symphony
Orchestra will present their holiday
program *Christmas From Notre
Dame* on tour for the first time on
December 16-20, 2023.

They will be presenting concerts in
Chicago, Cincinnati, Pittsburgh,
Philadelphia, and New York City.

The performance will include over 120 Notre
Dame student instrumentalists and singers
along with alumni performers.

The wide-ranging program will include
selections from Tchaikovsky's *Nutcracker*
Suite as well as traditional and contemporary
Christmas music, singalong carols, and
popular holiday favorites.

The concert will be a benefit for *Feeding
America*, with all proceeds from a
collection and merchandise sales to be
directed to a local food bank.

We hope you will consider supporting our
tour, helping us to provide a unique and
memorable family evening of musical
holiday cheer for thousands
of audience members.
